*Announcing 2019 New Location and Dates - Boise State University's Student Union on January 22-24

Dear Colleague:

Safety Fest of the Great Northwest is FREE to the community and provides safety and health training in an effort to help reduce fatalities, injuries and illnesses. This year's conference will be held January 22- 24, 2019 at Boise State University's Student Union. We are excited about this opportunity to host our event at a new venue.

We want to invite YOU!

Vendors will be able to display on Tuesday, January 22nd from 8:00 a.m. to 5:00 p.m. and on Wednesday, January 23rd 8:00 a.m. to 5:00 p.m. at a cost of \$300 per booth area. Vendors with oversize booths will be charged an additional \$100. Non-Profit organizations and Safety Fest Founding Partners will pay a fee of \$100 per booth area. Booth areas are 6 ft. long and include display tables and chairs which will be set up in the vendor area in advance. You will need to bring your own table clothes, electrical cords and display supplies. There are 40 booth areas available and they will go fast, so submit your registration early. Remember there are **no sales on site**.

The "Vendor Bingo" game will be promoted during the conference. Vendors are encouraged to donate prizes that will be included at the Vendor Bingo prize drawings. Refreshments will be offered in designated areas during breaks at the conference. If you wish to sponsor a refreshment break at a cost of \$500, you will not be charged for your vendor booth space.

If you are interested in participating in the Trade Show, email (dchristensen@LHTAC.org) or call at 208-344-0565. Deadline for vendor registration is December 31, 2018. We want to thank you for your interest and support of the 14th Annual Safety Fest of the Great Northwest. Please feel free to contact me if you need more information or you can visit the Safety Fest website at:
